PART II

ITEM 9A – CONTROLS AND PROCEDURES

(a) MANAGEMENT'S RESPONSIBILITY FOR INTERNAL CONTROL OVER FINANCIAL REPORTING

The management of The PNC Financial Services Group, Inc. and subsidiaries ("PNC") is responsible for establishing and maintaining effective internal control over financial reporting. The internal control system is augmented by written policies and procedures and by audits performed by an internal audit staff, which reports to the Audit Committee of the Board of Directors. Internal auditors test the operation of the internal control system and report findings to management and the Audit Committee, and appropriate corrective and other actions are taken to address identified control deficiencies and other opportunities for improving the system. The Audit Committee, composed solely of independent directors, provides oversight to management's conduct of the financial reporting process.

There are inherent limitations in the effectiveness of any system of internal control, including the possibility of human error and circumvention or overriding of controls. Accordingly, even effective internal control can provide only reasonable assurance with respect to the reliability of financial reporting and financial statement preparation. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

We performed an evaluation under the supervision and with the participation of our management, including the Chairman and Chief Executive Officer and the Chief Financial Officer, of the effectiveness of PNC's internal control over financial reporting as of December 31, 2006. This assessment was based on criteria for effective internal control over financial reporting described in *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this assessment, management believes that PNC maintained effective internal control over financial reporting as of December 31, 2006.

Deloitte & Touche LLP, the Independent Registered Public Accounting Firm that audited the Consolidated Financial Statements included in this Report, has issued a report on management's assessment and on the effectiveness of PNC's internal control over financial reporting as of December 31, 2006. The report of Deloitte & Touche LLP follows.

(b) REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of
The PNC Financial Services Group, Inc.
Pittsburgh, Pennsylvania

We have audited management's assessment, included in the accompanying "Management's Responsibility For Internal Control Over Financial Reporting" that The PNC Financial Services Group, Inc. and subsidiaries (the "Company") maintained effective internal control over financial reporting as of December 31, 2006, based on criteria established in *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on management's assessment and an opinion on the effectiveness of the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinions.

A company's internal control over financial reporting is a process designed by, or under the supervision of, the company's principal executive and principal financial officers, or persons performing similar functions, and effected by the company's board of directors, management, and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Table of Contents

Because of the inherent limitations of internal control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may not be prevented or detected on a timely basis. Also, projections of any evaluation of the effectiveness of the internal control over financial reporting to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that the Company maintained effective internal control over financial reporting as of December 31, 2006, is fairly stated, in all material respects, based on the criteria established in *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2006, based on the criteria established in *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet as of December 31, 2006 and the related consolidated statements of income, shareholders' equity and cash flows for the year then ended of the Company and our report dated March 1, 2007 (February 4, 2008 as to the effects of the restatement discussed in Note 1) expressed an unqualified opinion on those financial statements and included explanatory paragraphs regarding the Company's adoption of Statement of Financial Accounting Standard No. 158, "*Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans – an amendment of FASB Statements No. 87, 88, 106, and 132(R)*", the Company's restatement discussed in Note 1 to the Consolidated Financial Statements and the Company's use of the equity method of accounting to recognize its investment in BlackRock, Inc.

(c) Internal Controls and Disclosure Controls and Procedures

As of December 31, 2006, we performed an evaluation under the supervision and with the participation of our management, including the Chairman and Chief Executive Officer and the Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures and of changes in our internal control over financial reporting.

Based on that evaluation, our management, including the Chairman and Chief Executive Officer and the Chief Financial Officer, concluded that our disclosure controls and procedures were effective as of December 31, 2006, and that there has been no change in internal control over financial reporting that occurred during the fourth quarter of 2006 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.
