Date

## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Represents the weighted average price of shares sold in multiple transactions with prices ranging from \$141.889 to \$141.906. The reporting person undertakes to provide to the staff of the Securities and Exchange Commission, The PNC Financial Services Group, Inc. ("PNC") or any security holder of PNC, upon request, full information regarding the number of shares sold at each separate price.

(1) The amount of securities beneficially owned represents the number of shares of common stock indirectly held for the account of the reporting person under the PNC Incentive Savings Plan (the "ISP"). Shares of PNC common stock are not directly allocated to ISP participants, but instead are held in a unitized fund, approximately 98% of which consists of PNC common stock, and the remainder of which is invested in a money market fund. The amount of securities beneficially owned reflects 1 share indirectly acquired for the account of the reporting person under the ISP in transactions exempt from reporting under Rule 16a-3(f)(1)(i)(B) that occurred subsequent to the date of the reporting person's most recent filing on Form 4. The percentage of assets in the unitized fund investment option that are deemed to be invested in PNC common stock may vary from time to time.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
