**Explanation of Responses:**

1. The amount of securities beneficially owned represents the number of shares of common stock indirectly held for the account of the reporting person under The PNC Incentive Savings Plan (the “ISP”). Shares of PNC common stock are not directly allocated to ISP participants, but instead are held in a unitized fund, approximately 98% of which consists of PNC common stock, and the remainder of which is invested in a money market fund. The amount of securities beneficially owned reflects 1 share indirectly acquired for the account of the reporting person under the ISP in transactions exempt from reporting under Rule 16a-3(b)(1)(i)(B) that occurred subsequent to the date of the reporting person’s most recent filing on Form 4. The percentage of assets in the unitized fund investment option that are deemed to be invested in PNC common stock may vary from time to time.
